

4-H & FFA RULES

Parents and Leaders: Youth should do their own project whenever safe and practical. The Mesa County Executive Fair Board (MCEFB) recognizes that adult leaders and parents are expected to TEACH the child skills of their project, and in some cases, demonstrations on the project as deemed necessary. Adults must ask themselves, "Am I showing the child, telling the child or doing the project work for the child?" Remember that each child who does not do his/her own work is the child that is cheated out of the experience.

I. **GRIEVANCES AND PROTESTS**
LIVESTOCK

Show Management is responsible for enforcing the rules and is not required to consult with any other person before rendering a decision on an issue.

1. All protests must first be filed in writing with the project superintendent within 8 hours of the alleged violation.
2. If the situation is not satisfactorily dealt with, a written appeal may be submitted to the Barn Superintendent who will present the appeal to the Rules Committee.
3. The Rules Committee will issue a written statement no later than 8 hours prior to the sale addressing the issue. It will be presented to the involved parties by one member who has been chosen as the spokesperson of the Rules Committee.
4. If there still is no satisfaction, the situation can then be appealed by filing a grievance. An individual must file to the President of the Mesa County Executive Fair Board (MCEFB) within 8 hours of the Rules Committee's decision, a written and signed protest stating their grievance.
 - a. The grievance must state plainly the cause of the complaint or protest.
 - b. The grievance must be accompanied by a \$100 deposit, cash or certified check, which will be forfeited if the grievance is not sustained. The full deposit will be refunded if the grievance is sustained.
 - c. Upon receipt of a properly presented grievance, the President will appoint a committee of three (3) disinterested persons to review the grievance and render a decision, within 8 hours, which will be final. The alleged disqualified animal may remain on the fairgrounds during the process time.

If it is decided there has been a violation, ALL awards earned in the project area in question will be forfeited and the animal/project will be removed from the fairgrounds immediately. The project member will be restricted from participating in that project and other related events during the current Mesa County Fair. Neither a member of the Rules Committee, Mesa County Executive Fair Board, and leader/member of the Mesa County 4-H/FFA programs, or the CSU Extension Agency will be held liable for any decision or penalty invoked as a result of the grievance. All decisions of the Grievance Committee are final and not appealable.

Grievances and protests concerning indoor 4-H projects should be referred to the Overall Indoor Superintendents who will follow the procedures as outlined above.
