Open Class Exhibitor's Entry Form	Back Page

Welcome Exhibitor's -

If you are coming back, or whether this is your first time we welcome you and hope you are looking forward to this 2022 Fair while exhibiting your talents, skills, or just plain old curiosities at this upcoming Fair. The volunteers and I certainly are! Many new features coming this year during the FIVE BEST DAYS OF SUMMER! **NOTE: Pre- Registration for Open Class exhibit items close on Thursday, June 30th, 2022 at 5:00 p.m. Happy 4th of July weekend to Mesa County!**

Welcome Volunteers-

To begin with, I have to say Thank you past volunteers for your many hours of selfless time and energy for so many years past. Thank you Department Leads, the many volunteers from RSVP, the Ambassadors, and to those 4H parents & kids who work the evening hours so the public can use the evening hours to browse Bldg C where both 4H & Open Class Community displays are housed during Fair. Thank you Ryan and the maintenance crew for the sleek new portable rollers on our divider walls for Fine Arts & Photography exhibits! Thank you to my assistant, George McGuire, who is always there when something needs attention. This community and I are forever in your debt as we strive to make Open Class Community Hall better every year!

We will have Volunteer Orientation **Saturday June 25, 2022 at 10:00 am in the Sage Brush Room**. Do to the new streamlining for the entire process of Open Class the Volunteer Orientation **is now Mandatory**. **At Orientation, volunteers may pick from several volunteer slots that are currently available.**

Remember, this is the Communities Mesa County Fair. To help better Open Class for the community, please consider spending some time to volunteer in any of the following areas discussed at the Mandatory Volunteer Orientation Meeting. If personal circumstances do not allow volunteering, please consider making a donation of your choice to the Mesa County Fair Board for Open Class Ribbons for the following year. Please contact Kyle Carstens in the Mesa County Fairgrounds Office for donations.

Pfalzgraff Open Class
Coordinator

GENERAL RULES & REGULATIONS FOR OPEN CLASS EXHIBITS

Please read all rules and regulations carefully, since important changes may have been made.

All Exhibits information and entry forms are available online at www.mesacountyfair.com.

Open Class Exhibit Winners and Contest Winners will be posted on our website.

The following Rules apply to all Entries:

1. Mesa County Fair Exhibits are open to all Mesa County residents and only to Mesa County residents.
2. This Guidebook is published each year and lists all the various departments, divisions, and classes that you can enter. After you select the appropriate departments and classes you wish to enter fill out the Entry Form. Entry Forms are found in the back of this Guidebook, at the Fairgrounds office or downloaded online at www.mesacountyfair.com.
3. All articles must be exhibitors own work and not previously shown at the Mesa County Fair.
4. Fill out your Entry Form completely. Make sure both the division number and class numbers are clearly listed on the form. **Do not** enter Exhibit Tag#, it will be issued upon entry delivery. Enter the class you feel best suits your entry. The judge or Open Class Coordinator may move an exhibit if they deem it is in the wrong class.
5. Exhibitors will be divided into certain sections for judging according to age, skill level or a professional who derives at least 25% of annual income using the exhibit of choice as follows:
 - (E) Elementary - Child 8 years old or younger.
 - (Y) Youth - 9-13 years old.
 - (AY) Adult Youth 14 -18 years old.
 - (A) Adults 19 years old and older - Non Professional
 - (G) More than one exhibitor working on the same item. May be Adult and child.
 - (C) Any handicap that affect performance skills in that class.
 - (P) Adults who have income using exhibits entered. Must have at least 25% of yearly income with previous year using those exhibits entered. Exhibitor may file a business card at processing with the Open Class Coordinator.
5. Exhibits for Open Class are judged on their own merit and not against another exhibit (s) in the same class or division, using the Danish System. 1st, 2nd, or 3rd place ribbons are then awarded for each class as each article in each class deserves such merit. See Department's individual rules as those rules are part of the judge's scoring. Judges may use their own scorecard to award all ribbons. Judge's Choice and Best of Show ribbons are awarded at the discretion of each judge. All decisions from the judges are final. People's Choice ribbons are awarded and determined by the highest number of votes placed by the fairgoers for that item on the first day of Fair. Fair Theme ribbons are awarded by members of the Fair Board on the first day of Fair.

The Fair Theme for 2022 is "Traditions we Treasure"

6. All judging is closed to the public, and there is absolutely no talking to the judges from ANYONE while a judge is scoring ribbons. Exception is the Judge's volunteer scribe to confirm comments on back of exhibitor tags, or the Open Class Coordinator for answering questions or moving classes for the judge.
7. Greatest care will be taken in handling the exhibits, but no responsibility for loss or damage of any kind can be assumed by the Open Class Coordinator, the Open Class Department Leads to the Coordinator, Mesa County

Fairgrounds or the Mesa County Executive Fair Board. Exhibitors must carry their own insurance on sensitive or highly valued entries.

6. The Mesa County Executive Fair Board and or the Open Class Coordinator reserves the right to reject any exhibit entered if questionable in any way, if the exhibit requires an excessive amount of space without pre-registration or notice given to the Open Class Coordinator, or if Department capacity has been reached on Entry Received Day.

9. Grievances and protests - a grievance committee consisting of a member of the Mesa County Executive Fair Board, the superintendent or leader involved, and one disinterested party will make recommendations on all questions of rule, grievances or protests. Protests involving alleged major rule violations must be in writing and accompanied by a deposit of \$25.00 cash or certified check which will be forfeited if the protest is not sustained. Said protest must state plainly the cause of the complaint and must be delivered to a member of the Mesa County Executive Fair Board by the Open Class Coordinator within eight hours after the cause of the protest. The Grievance Committee's decision is final.

10. By signing the Open Class Exhibit Form exhibitors agree to all rules and regulations presented in the Open Class Guidebook pertaining to their participation. Please see Certification at the bottom of Registration form.

REMEMBER - REGISTRATION FORMS MAY BE DOWNLOADED AT WWW.MESACOUNTYFAIR.COM

Pre-registration ends July 5, 2022 at 5:00 PM.

Fair Dates: Tuesday July 12, 2022 through Saturday July 16, 2022.

Any entry not in compliance with judging guidelines or exhibiting spoilage will be disqualified. *Quality criteria based on visual judging. Judges may refrain from tasting preserved food.*

- Exhibit(s) must have been completed between August 2021 and June 2022.
- Each exhibitor is limited to five (5) entries per class. (For the NEW King/Queen of the Kitchen Contest. See Page 2)
- Exhibitor's name is not to be shown on exhibit piece.
- Entry submissions must have been canned by the person in whose name they have entered except in Group Division.
- On Exhibits Received Day jars should be clean from dust/dirt and stickiness & in very good condition utilizing a two-piece canning lid with band in very good condition with a new flat lid of same standard brand name. ONLY Ball and Kerr jars and bands/seals permitted. No decorative or off brands acceptable.* No padded lids.
- **Products canned using reusable lids will not be accepted.**
- All canned foods must be preserved using recipes from resources which use USDA recommendations for processing from canning information from 1994 or later. Acceptable resources include, but are not limited to:
 - The **USDA**
 - University Extension Publications
 - Pectin Package Inserts
- Processes that are unacceptable and unsafe include: open kettle processing, inversion sealing, steam canning, paraffin sealed jellies & jams,; as well as pickles, jams & jellies not processed in a boiling water bath canner, or water bath canning of low acid products (vegetables require pressure cooking).
- No fresh/refrigerated items accepted, all items must be shelf stable.

FILLED JAR RULES

- Headspace must correspond to instructions on the reference guides listed. The top of the finished recipe or liquid covering produce must provide adequate headspace as stated in approved guidelines.
- Air Bubbles must be kept to a minimum. (Gas bubbles denote spoilage and can be identified by movement of bubbles to the surface of the product while the jar is stationary. Products indicating presence of gas bubbles will be disqualified.)
- Bands should remain on the jars while in transit to the fair event. Remove bands carefully to determine if the headspace is correct. Replace bands for product display. The new canning science suggests storing canning jars without rings.

- ONLY Ball and Kerr jars and bands/seals permitted. No decorative or off brands acceptable. No padded lids. Canned products with special cuts or design lids will not be accepted (example lids by Bernardin* or similar brand)

HEAT PROCESS RULES

- Methods used to heat process food must comply with current preserving guidelines as stated in the approved reference guides. The boiling water process for high-acid food and pressure process for low-acid food are the only recommended methods to preserve food in jars for shelf storage.
- Time for correctly heat processing food varies depending on each specific recipe or food type. Processing time must be in agreement with approved reference guides.

• RULES CONCERNING PRODUCT APPEARANCE

- Produce should be free from blemishes, disease, and spoilage. Recipes prepared with stems, pits and peels intact are acceptable if the recipe is in keeping with approved guidelines.
- Liquid must be clear & free from cloudiness and small particles unless the inherent characteristics of ingredients affect product clarity.
- Color of the finished product should be as close as possible to its natural characteristics or that for cooked product.
- Texture is affected by heat processing; however, the finished product should not easily break down or appear over-cooked.
- Ingredients should retain their shape and size based on the type and preparation method. Ingredients should be cut in uniform pieces and packed evenly in the jar, allowing adequate room for liquid to circulate throughout the jar during processing.

Division 200 - Fruits or Juice

Classes:

1. Apples
2. Applesauce
3. Mixed Fruit, please specify

Division 201 - Vegetables or Vegetable Juice

Classes:

1. Asparagus
2. Beans, please specify
